ANNUAL REPORT
2023-2024

ZWILLING FOUNDATION INDIA: Growing with confidence

Zwilling Foundation India, an initiative taken by the Werhahn Group of Companies, Germany and Mr.R.Sambasiva Rao, India. It was founded as a Public Charitable Trust Act in 2011. Through an array of measures, it works to help differently abled children and women to lead a normal life by providing services like early identification, intervention, education, vocational training, employment opportunities and aids and assistive devices etc. By sponsoring education and by providing vocational training, it works to open opportunities for differently abled and marginalized children and women. Zwilling Foundation India at present works with 69 children and around 73 women and is aspiring to include more vocational training programs and reach out to the needy. Zwilling Foundation India also undertakes many other one-time community and livelihood projects.

Our Vision

To enable and integrate the differently abled into the main stream of life through education and skill development

Our Mission

To become a source of courage and confidence to all the differently abled by making them employable and economically independent.

TRUSTEE'S NOTE.....

Greetings To All !

As a Trustee of Zwilling Foundation India, I am pleased to share the activities of the Foundation for the year 2023-24. Making Corporate social responsibility more meaningful Our mission to empower the differently abled and marginalized women, through skill training, we enter our 13th year in reaching out to the differently abled population. This year Zwilling Foundation India has touched about 5500 lives through our various programs.

Mrs.Bindu.V.Modi

Our God child project stands with ongoing support to 64 children for their educational and medical needs. Some of our Children and adults have movement restrictions, for which Zwilling Foundation has employed an inhouse physiotherapist, who also does home visits, for those who are unable to come to the Foundation. Dr. Ahamed Aarif intervention has shown amazing improvements improving the agility and mobility of children and adults alike. This year we extended our support in skill training to about 25 young ladies of an orphanage and an enthusiastic boy who were very motivated to learn tailoring, they have successful completed their course, and feel confident to stitch their own garments.

After the training program in tailoring Zwilling Foundation gives its trainees an opportunity to experience employability. Our Trainees stitch various products as requested from our other sister concerns and are doing very well. This year we had 23 inhouse trainees and 58 outsourcing team handling job- work under our Livelihood project creating an Inclusive work environment.

We are Happy to share that During the Year 2023-24 we have seen that the number of projects has increased. We have been able to reach out to a lot more beneficiaries mainly through our livelihood project where we encourage and support entrepreneurs in living a life of dignity. Our emphasis is to make sure that the Foundation can support as many differently abled, families as possible for their livelihood.

With The support of Mr. Rui Santos Our community project at Nesal Village alone has impacted about 5000 lives, providing them with portable water which has come as a big relief to the nearby villagers too. The Women are much grateful as they no longer have to travel miles to fetch drinking water. We Thank Mr. Rui Santos for his generous Donation.

TRUSTEE'S NOTE CONTD.....

This year we resumed our focus on the overall personality development of our vocational training group, where we teach, not just on skill training but also on developing their social skills, through Our "Counselling and personality development program". This program builds their confidence, improves their social skills also empowers them to cope and deal with social pressures and stressors in a healthy manner. I am happy to share that I have been given the charge for this program.

The " JOY OF GIVING" : It is said that We learn through example. Here I would like to share my observation that Our Managing Trustee Mr. Sambasiva Rao is not just a philanthropist, but his mentoring sharpens and shapes us with each interaction. On One such occasion, I wish to share: I observed that he encourages not just us, and his children but also grandchildren to participate in activity of the Foundation inculcating the Values of sharing and teaching "The Joy of Giving".

Thank You Mr. Rao, it's an honor to work and Learn from You.

On behalf of our Team and Beneficiaries, we are very grateful for the support from Werhahn Family, Tweezerman India Private Limited, the Zwilling group of companies, and All our supporters because of whom we are able to reach out and empower the differently abled population through our various programs.

A special mention To

Mr. Sambasiva Rao our Managing Trustee for his mentoring and guidance

Dr. Erich Schiffers whose enthusiasm and motivation keep all our spirits alive

Mr. Rui Santos for his continued support for various projects that have impacted many lives. Thank You, Sir.

Ms. Lempa Gabriel and Ms. Lalitha for their very silent and strong contribution towards the activities of the Foundation.

All the Staff at the Foundation, who are always willing to reach out with a spirit of empathy and compassion.

Kudos to our Manager Ms. Divya and Social worker Mr. Anand.

Thank You All

"TOGETHER WITH LOVE WE CAN"

**Mrs. Bindu.V.Modi,
Trustee, Zwilling Foundation India.**

OVERVIEW OF THE YEAR 2023-2024

SKILL TRAINING

From April 2023 to March 2024, we trained a total of 122 candidates, including 106 women and 16 male candidates in various skill development program like tailoring, basic computer courses and in culinary and baking. In the in-house tailoring batch of 2023-24, a total of 44 candidates were taught, with 76% of the candidates being differently abled. An outreach program in Vudhavi Karangal orphanage has accommodated 26 candidates with 25 girls and 1 boy. We have conducted basic computer training for 12 visually challenged candidates. Basic computer skills were taught to 28 candidates. A total of 415 candidates have been trained in different skills as of March 2024.

Zwilling Foundation India has taken the next step towards its skill training in teaching Computer Course to the marginalized students of society. The course has been started in April 2023 and it was in full swing till the month of June 2023. Approximately 30 candidates attended the course and MS Office were taught to them. We thank Dr. Erich Schiffers for donating computers to the Foundation which enabled us to take classes at the earliest possible.

In May 2023, we had new candidates in the tailoring training program under Part-time classes along with the full time candidates. All the candidates were school students in their 10th to 12th standards who are eager to learn a new skill in a short duration of time. The short term crash course to make their own garment was taught to all and periodic assessments were done.

Outreach Program : Zwilling Foundation India has taken its next leap towards starting the skill training program for the young girls of the Vudhavi Karangal Home in TN Palayam, Puducherry. Vudhavi Karangal Home is an orphanage that accommodates orphans and semi orphans in their home. A trainer has been appointed by Zwilling Foundation India to teach the skill training program. This program has been started on June 2023 and its progress is followed Zwilling Foundation India. This is a 1 year program which concludes on April 2024.

Computer Skill Training for the Visually Challenged Candidates: In July 2023, Zwilling Foundation extended its computer skill training program to help visually challenged candidates in association with Puducherry Corporation for the development of women and differently-abled persons Ltd. The skill training was led by Mr. C. Kannan, the trainer. The candidates who have been involved in the program are with partial or profound loss of sight and they were well-disciplined and highly interested in taking their classes. We hope that the skill training would be an added advantage for them to fetch employability.

Culinary and Baking: Zwilling Foundation India has resumed the cookie baking class once again for the welfare of the marginalized women who were interested in baking. The one-week program was conducted for 12 ladies who belong to different parts of the Puducherry and Tamilnadu.

One-day trip to Yercaud: The trainees had a great time during their one-day trip to Yercaud! Taking employees on outings like this can be a fantastic way to boost morale and build team spirit. It's wonderful that they all enjoyed the new experience and had a fun-filled day together. Such outings can help foster positive relationships among colleagues and create lasting memories.

Ayudha Pooja & Pongal Celebration: We share the significance of various festivals and cultural values. On October 2023 Ayudha Pooja was celebrated and gifts were distributed to all. On January 2024, Pongal pooja was done marking the harvest festival. All were actively involved in the celebration.

Inhouse Training: Three of the trainees have been shifted to take the zwilling products as they have completed the training. Mrs.Jayanthi with 23 years of tailoring experience has joined the team as a new trainer in January 2024.

Blankets Distribution: All the trainees and the piece rate workers were distributed blankets and mosquito coils as a part of our community project. Everyone was very happy to receive the blankets as it would be very helpful to protect them in winter. The blankets were donated by Mr.Shashank and his family on behalf of Mr.Rao Sir.

Mr.Shashank & family distributed blankets to the trainees

Counselling and Personality Development Program: Mrs. Bindu Modi, Trustee Zwilling Foundation India and a Clinical Psychologist by profession, led the counseling session for the trainees in November and December 2023. The session covered topics on self-discipline, anger management, healthy communication skills, and impacts of alcoholism and drug abuse. The trainees are actively participating in the session, and the counseling session is a stress reliever for all the trainees to open up.

God children Project Educational Sponsorship

The God Child program supports differently abled children for their educational and medical interventions. In 2023-24, new children have not been enrolled and we continued our support to the 64 children under this project.

Birthday Celebration: The Godchildren's birthdays are celebrated during the final week of each month. Age-appropriate gifts are presented to the children, and a cake-cutting ceremony is held for each of the 64 kids. Seeing the joy on each child's face as they open their gifts is truly remarkable.

Speech Therapy : The speech therapy for Pragadeesh and Abdul Kadar is being supported throughout the year. Both the children has improved in their communication and understanding capability.

Health Supplements:

Health supplements were provided to Godchild Sriram throughout the year for his betterment. He was provided with health supplements like sprouts health mix, energy drinks, lentils, dates, etc for his physical improvement. His Improvement was being assessed once in three months.

Audiometry & Eye Camp : In April 2023, Zwilling Foundation India conducted a free eye screening camp and audiometry camp along with Jothy Eye Care, Pondicherry and Sandro Hearing Aids, Pondicherry. Almost all the Godchildren's have participated in the camp and 6 Godchildren were supported with their hearing aid.

Sign Language Classes: In the summer camp, sign language classes for hearing-impaired children especially for our Godchildren were arranged. The classes commenced on 2nd May 2023 and ended on 31st May 2023. The class was very much helpful to all the hearing-impaired children as they collectively got benefitted to learn a new language (American Sign Language) which was useful and helpful for communication with others. Learning Sign Language for them is considered mandatory for Hearing Impaired children for their academics also. The class was Taken by Deaf Enabled Foundation, Pondicherry.

In November 2023, the God children have spent time at Foundation making handmade gifts to express their love and affection to their Godparents in the form of Christmas greeting cards and gifts.

Godchildren Christmas Celebration: We conducted a Christmas event in December during Dr.Erich Schiffer's visit to the foundation. During the Christmas season, we had celebrations, dancing performances, interactions with the children, and plenty of fun. All of the children were overjoyed to get their Christmas presents. The Christmas party was graced by Dr.Erich Schiffers, Mr.Sambasiva Rao and Mrs.Bindu Modi along with the staff and trainees.

Livelihood Program

The livelihood program has supported around 81 women in total, twenty-three women as in-house piece rate workers, and fifty-eight candidates as outsourcing the job work. At present, we support 15 members in the livelihood program out of which 11 are differently abled and 4 are normal. In 2023-2024, two new products Knife Bag and Santos Barbecue Apron have been developed and bulk production has been dispatched this year. We have taken some garment orders to the customers and guests to the foundation. The total quantity of materials dispatched from Zwilling Foundation India is given for reference.

Other Projects

Many more projects were initiated by the team Zwilling foundation India in and around Pondicherry and Tamilnadu in the year 2023-2024. Seventy-seven projects were initiated and over 5400 beneficiaries have been supported in different categories of support such as Livelihood, Community, Aids & Assistive devices, Education Sponsorship and Skill training.

Livelihood Projects

The Zwilling Foundation India initiated 39 livelihood projects in various parts of Puducherry and Tamil Nadu. Through these initiatives, the foundation is probably having a big influence on the communities in which it works by helping people and their families. Initiatives aimed at enabling people to support themselves and enhance their quality of life are considered vital and concentrate on topics like revenue generation and entrepreneurship. Through these projects, people are given the tools and opportunities they require to become self-sufficient and elevate their socioeconomic status.

Community Projects

The local communities have benefited greatly from the help that Zwilling Foundation India has given to almost 1630 people through its nine community initiatives in Puducherry and Tamil Nadu's villages and schools. The foundation has provided educational resources, infrastructural development, and other support to schools in these areas.

The community initiatives in Puducherry and Tamil Nadu had a long-lasting positive effect on the villages and schools. The beneficiaries and the region's general socio-economic growth and improvement have benefited from the foundation's efforts. Providing schoolchildren with clean drinking water, and infrastructure support like fans, lights boards, etc to enhance their well-being was the major contribution this year. Zwilling Foundation India was a part of the winning cricket team's experience by helping to cover their transportation costs.

The Parasitting Cricket Association, Villianur Pondicherry has requested the Managing Trustee to support them to attend the 2nd National Level Sitting Cricket Tournament (PSCL 2023) in Chennai where 5 teams from all over India were participating. They have won in 2nd Place making the other teams down. The team was supported with their transport expense and the sports equipment as per their request by Zwilling Foundation India.

Openshelf : We initiated an open-shelf program in 2018 where extra clothing and household goods were gathered and decently displayed for the underprivileged and destitute people to take. This is being carried out every month in the nearby and isolated villages around the foundation.

Aids & Assistive Devices Projects

Zwilling Foundation India helped 29 people with disabilities by giving them wheelchairs, walkers, tricycles, hearing aids, calipers, and other assistive equipment. People with impairments can be much more independent and mobile using these technologies, making it easier for them to move around and participate in different activities. The foundation's initiatives are to aid people in recovering from their illnesses and to encourage independence to build a more diverse society in which everyone has an equal chance to prosper.

Physiotherapy Sessions:

Zwilling Foundation India has initiated to provide physiotherapy sessions to the Locomotor disabled candidates in the Foundation who have approached us for their betterment. Continuous therapy will make them feel better and the candidates are continuously attending the sessions and their utmost efforts are showing tremendous improvements. Dr.Ahamed Aarif is the backbone of this physiotherapy session. On all 6 days of the week from 2 Pm to 5 Pm, the physiotherapy sessions are taking place in the foundation. We have enabled house visits for the patients and for the Godchildren who were unable to reach the foundation which was very helpful and more candidates benefitted through the physiotherapy sessions.

Mrs. Walburga Schiffers Endowment Award 2023-24

Mrs. Walburga Schiffers

From the year 2019, many beneficiaries have benefitted from this scheme. We have supported 21 candidates till the year 2023-2024.

2019-2020: In the year 2019, higher education was sponsored for 6 children from Satya School. They got admission for Vocational training in Vivekananda Rural Community College. They could not afford to pay the fees and at that time, Zwilling Foundation India stepped in and helped them through this award. All 6 have completed their education and have become financially independent.

2020-2021 : Four outstanding Government School children were chosen by conducting tests and awarded cash prizes.

2021-2022 : Education was sponsored for 5 intellectually challenged boys and they were all placed successfully.

2022-2023 : Four projects under different categories were considered and all four candidates has been supported with their requirement as per their request.

2021-2022 Beneficiaries of Mrs. Walburga Schiffers Endowment Scheme

Rajakani

Renuka

2023-24: For the fifth consecutive year, we supported two candidates for taking their NEET crash course through the Mrs. Walburga Schiffers endowment grant for the fiscal year 2023-2024. The two candidates have not secured their ranks in their entrance exam, this gave the two childrens of the restricted group an opportunity to learn more about what NEET coaching entails.

Rui Santos Donation

Mr.Rui Santos

We have received a donation from Mr.Rui Santos, a friend of Dr.Erich Schiffers to be utilized for supporting community projects. We implemented one community initiative in December 2023. We established a purified drinking water system with a capacity of 2000 liters per hour for the people of Nesal Village, Tamilnadu, and the surrounding villages. We take this opportunity to thank Mr. Rui Santos for his donation. Around 3500 people benefit from this community project, and residents of four remote villages, including Nesal, Vilvanatham, Aprampattu, and Kodur, get their drinking water from the plant established by the Zwilling Foundation India.

Other Events

Eye Camp : On April 2023, Zwilling Foundation India has conducted a free eye screening camp along with Jothy Eye Care, Pondicherry. Eight technicians and foundation personnel worked at the camp, and nearly 120 individuals went through the basic screening before being referred to the hospital for the next step. Participants in the camp include trainees, staff, Godchildren, and people from the foundation's surrounding areas.

Audiometry Camp: Zwilling Foundation India, in collaboration with Sandro Hearing Aids, Pondicherry, held an audiometry camp on 25th April 2023. At the camp, two technicians conducted the audiometry examination for approximately 65 people with some of them being referred to the hospital for the next phase. Trainees, staff, Godchildren, and people from the foundation's surrounding areas are among those that attend the camp.

Success Stories

Sathish's Journey: Overcoming Challenges to Independence

In January 2023, Sathish, a 23-year-old young man, embarked on a journey of resilience and determination when he visited our foundation with his grandmother. Born with an 80% locomotor disability, Sathish faced numerous challenges in his daily life. However, fueled by his unwavering spirit and by the support of Zwilling Foundation India, he dared to dream of independence. Upon his arrival, Sathish shared his aspirations with us - to walk independently with the aid of a caliper and through physiotherapy treatment. Determined to support him in his quest for independence, we wasted no time in connecting him with Adinath Trust, where he received the specialized caliper he needed. With each session, he displayed remarkable dedication and perseverance and with the support of a walker, he gradually gained the confidence to take his first steps towards independence. Today, Sathish stands tall as a shining example of what can be achieved with perseverance and support. Sathish's journey serves as a testament to the power of determination and the boundless possibilities that lie within each of us.

Vijayaragavan's Triumph: From Adversity to Achievement

Vijayaragavan's life took a challenging turn at a young age when he found himself without familial support following the loss of his mother and his father's remarriage. Undeterred by his circumstances, Vijay demonstrated remarkable resilience by completing his 10th-standard education while relying on the hospitality of friends. Despite facing financial hardship and a lack of familial support, Vijayaragavan's determination to succeed remained unwavering. Thanks to the intervention of Zwilling Foundation India, Vijay was offered a lifeline to pursue a Diploma course in AC Technician at Swami Vivekananda Rural Community College. With the Foundation's sponsorship covering his course and hostel fees, Vijayaragavan seized the opportunity with both hands. Throughout his course, he exhibited exemplary behavior and discipline, earning accolades for his commitment and dedication. Vijayaragavan's hard work paid off when he secured an internship at Whirlpool, marking a significant step towards his career aspirations. With a clear path ahead, Vijay has not only found his means of subsistence but has also carved out a promising career for himself.

Nishanth : Empowering Independence Through Skill and Determination

In January 2023, Nishanth, a determined twenty-three-year-old with a 70% locomotor disability, approached our foundation with a bold request for a two-wheeler to aid his mobility. Recognizing his potential, we encouraged him to pursue skill training for independence. Despite the wait for admission until June, Nishanth diligently attended classes, honing his English and Math skills. In May 2023, with the intervention of Zwilling Foundation India, Nishanth was offered to pursue a Diploma course in Animation at Swami Vivekananda Rural Community College. With the Foundation's sponsorship covering his course and hostel fees, his hard work paid off when he secured a placement at Shiva Graphics in Pondicherry, with an impressive stipend of Rs. 6000 per month. Nishanth's success not only highlights his personal triumph but also underscores the transformative power of skill development in enabling independence and empowerment. We are immensely proud of Nishanth and look forward to witnessing his continued success and growth.

Karthiga's Empowerment: From Learner to Entrepreneur

Karthiga, a single unmarried woman with a locomotor disability, embarked on a journey of self-reliance with training from Zwilling Foundation India. Gifted a sewing machine in July 2023, she transformed her skills into a thriving business. Independently stitching bags, Karthiga showcased her creations at exhibitions across India, gaining recognition for her craftsmanship and entrepreneurial spirit.

Through perseverance and dedication, Karthiga not only overcame challenges but also became a symbol of empowerment for individuals with disabilities. Her success story exemplifies the transformative impact of skill development and opportunity in fostering independence and entrepreneurship. As she continues to flourish in her endeavors, Karthiga's resilience and ingenuity serve as a beacon of hope and inspiration for all.
